Welcome to our new Prep Class
Every Day Counts- Please make sure your child is at school every day!

Welcome:
A very sincere welcome to students, parents and carers and to all in our Glenview community, particularly those families who join us for the first time in 2017. We are looking forward to an exciting year with many changes and challenges to take place.

Please feel free to email or phone or just drop in to the office if you have any ideas, concerns or suggestions at any time.

There are a few newer faces in the school staff but I’m sure you will know most of our dedicated teachers, teacher aides and ancillary personnel. We welcome Ms Sophia Bingham to Glenview as our new PE teacher and Ms Chelsea Harry to an added role as Ms Keir’s teaching partner.

Enrolments:
Welcome also to the 44 new students in our school. While 24 are in Prep the other 20 have joined us across years 1 to 6. Our enrolments today are at 211.

Independent Public School.
In 2016, Glenview was approved as an Independent Public School. The work of the School Council, ably directed by Ms Anita Smith and the members will continue to benefit the school and lay the groundwork for future developments and directions.

Parents and Citizens Association (P&C)
Thanks to our incredibly supportive P&C, its members and the executive of Ms Buemi, Mr Rankin and Ms Ellwood, we have raised enough funding to begin the P&C goal of replacing the existing class Smartboards with next generation Epson interactive projectors. These projectors give a whole new window of possibilities in teaching as they are touch screen capable, networkable, Wi-Fi linked and use a variety of software solutions. We are expecting that about a third if the project will be in place in the next few weeks.

Information Technology at Glenview:
Late last year we were able to add a further 15 Ipads to the school fleet of now 65 Ipads and upgraded teacher Ipads to ensure ongoing capability. Coupled with teacher laptops and the Smartboards and Smartboard Software in classrooms and teaching areas we are ideally placed to continue to push boundaries in the IT area.

Directions for 2017
Each year we establish our focus for the future 12 months out. These are linked to the 4 year Strategic plan and build on past the past achievements. For this year our priorities are:

Improving teaching and learning outcomes in:
- Reading, (inc functional reading, vocabulary and comprehension)
- Writing (inc Spelling, Grammar and Punctuation)
- Numeracy
- Science.
Ensuring that every child is at school every day.

Attendance

Adding a focus around health, and social and emotional well-being.

The affective/social/emotion domain

Focussing relentlessly on Excellence in everything we do!

Our school priorities are continuing the improvement in:

- Our Quality Curriculum and our Pedagogical Framework
- Our Curriculum Design and delivery.
- Our support programs – Academic and Social/Emotional
- Our Academy - extension programs,
- Sport and Physical Education.
- Cultural – Music, Dance, Arts programs

Facilities upgrades

Unfortunately our Library refurbishment was not able to be undertaken over the Summer break. It will be rescheduled for as soon as possible.

Glenview SPORT:

Brisbane Roar – Soccer Experience Program – Again for 2017 sign up Online.

Nambour District Swimming Trials - 16 February

Housekeeping:

Car parking is always a challenge at peak times. Please use the designated carparks in the designated areas. Help keep our children safe! Please do not pick up or set down children from roadways, car park access roads etc. or any other area which increases the risk of accident or injury to children or adults.

Please note that the top carpark adjacent F block is a staff only park and access point.

Thank you to our patient and ever-caring school crossing supervisors, Amanda, Kirstin and Sean. Spare a thought for their dedication, being out there in rain, and heat each and every day. We really do appreciate all you do for us.

School Hours: School begins at 8:40 a.m. and finishes at 3:00 p.m.

Allergies and Anaphylaxis:

Would you kindly ensure that all food brought into the school for lunches, snacks etc. is entirely free of any nut or nut related products. Your cooperation here is vitally important to ensure that students’ lives are not put at risk.

Tips: We use this Dr Seuss quote to give children direction in language we all understand.

‘You have brains in your head and feet in your shoes. You can steer yourself any direction you choose!

‘Translating the message means: Have confidence in yourself, think for yourself, make your own decisions, choose wisely and well, success will follow, be responsible for yourself.

Self-direction and expectations. Use it at home- you never, never know!

I’m excited by the prospect of what I know will be another great Glenview year.

Tips to Get Back into the School Routine

Come on, admit it. You intended to keep a schedule, but when the kids slept in you liked the extra quiet time. Not living by the clock was a refreshing change of pace, but school has started and you know the kids and you need to get back into the groove.

First, let me assure you, it's healthier to have a flexible schedule than a rigid one. So have no guilt about your Christmas holiday schedule. Just realize that the school schedule is a big change and you may need to assist the children in making the transition.

Like so many things in life, back-to-school time is an exercise in regaining balance. So here are some tips for making the transition a little smoother:

Ideally, before school starts, start moving back to the school-year bedtime by half-hour increments.

At the same time, have the children wake up earlier each day, until they have gotten up at their regular school time for about a week.

Make a conscious effort to re-establish regular mealtimes and talk about their day.

Teach your children how to plan and pack a healthy lunch so they (and you) can be more independent. Brainstorm lists of the healthy foods they like. Children can choose one item from each category to create a variety of healthy balanced lunches. If they really want something unhealthy, limit it to one item each week, so it's a special treat, not an everyday food.

Take them grocery shopping so they can pick out healthy foods for their lunch. The more children are involved and making choices, the fewer power struggles you'll get into. They will also establish healthier habits and lifestyles, which will follow them into their adult years.

Have them plan a way to remember their homework, lunch and backpacks each day. Also, when they will do their homework, play, eat, and do other activities. The goal is to complete responsibilities while maintaining balance, using good time management skills. Sound familiar? That's what you have to do at work! Well school is children's "work" and they need to take responsibility for it so they will be prepared for the real world. Planning for them deprives them of these learning opportunities. Teaching skills and letting them figure out a plan meets the goal.
Encourage them to organize their bags in preparation for that first big day. Again, this is their responsibility. Provide the necessary supplies so they can be organized. You can tell them what you would do, but need to let them figure out what works for them.

Have school items ready for the first day. This will give them something to look forward to.

Have children choose no more than two after-school activities per season, so they don’t overdo themselves. Maintaining balance requires setting priorities and making choices.

Are you seeing some patterns in these tips? Effective transitions happen gradually and help prepare children for the impending change. By involving them in the planning and giving them choices about how the change occurs, they will manage the transition and change better. They’ll also learn important life skills and be more independent, responsible and confident.

Every parent wants that — and future employers will value it, too!

Wishing you an exciting school year!

ROALD DAHL’S MATILDA COMES TO THE STAGE

Last Wednesday, senior students from Glenview State School were privileged to attend the Brisbane performance of Matilda. This follows the classic tale as first told by Roald Dahl in the children’s book of the same name. Matilda is the captivating musical masterpiece from the Royal Shakespeare Company that revels in the anarchy of childhood, the power of imagination and the inspiring story of a girl who dares to change her destiny.

As part of the school’s extension music program, students are given the opportunity to travel and view a stage musical every year, which is always a popular event.

The show did not disappoint, with startling performances by children even younger than those attending; and flawless routines from professional actors, dancers, singers and the almighty Mrs Trunchball (the horrid school head-mistress). Mrs Harry spoke very highly of the behaviour of our student contingent, and though the return bus trip was looooonng, the children were patient, polite and effervescent as they recalled aspects of the day's performance. The stunning show is not one we will easily forget.

Hi everyone, welcome to term 1 2017.

For those who are new to the school and I haven’t met yet,...... hello! my name is Nikki, and I’m the school chaplain here at Glenview State School. I often get asked what exactly does a chaplain do? It is an interesting question because I do lots of really interesting things. Primarily I am here to provide social and emotional support to the children and families at Glenview. I often spend a lot of my time supporting kids and families members who are experiencing some sorts challenges ranging from family breakdown, friendship issues, mental health, trauma, and anything related to the welfare of our community members. I really believe physical activity and coach the school cheer team and have also ran gym-fit sessions focusing on fitness and wellbeing. I study psychology at USC, hence I’m dedicated to providing a wholeness approach incorporating spiritual, emotional, mental, physical, and social support to the best I can. I really enjoy working with kids and nurture the relationships I build here. I work part-time and am located in the admin building please feel free to drop by or contact me. I will be heading off on maternity leave closer to the end of term, but Ill still be around the place. Look forward to meeting you. Nikki

Introducing Glenview's Playgroup, the Pups. We are very excited to welcome the Glenview community and surrounding communities the opportunity to par-take in an exciting new Play group, endorsed by Play group Queensland and fully funded by the school, meaning there is no cost to the families involved. Playgroups offer babies and young children a wide variety of fun experiences that help them to learn about their world, make friends and develop new skills. To ensure optimum growth is achieved, quality play experiences for babies and children in a stimulating environment provided. Play group is a great avenue to get little ones and parents familiar with the school environment and a pathway into the classroom ready for prep year. Play-group is a very relaxed welcoming environment.

**When:** Tuesdays 9.15 am—11am

**Where:** School Hall, and Kidz Bizz

**What to bring:** light snack, water bottle and hat, tea and coffee and snack will be provided

**Who:** Parents, grandparents, carers and children any age under 5

If you are interested please drop into the office and leave your name

Any questions please contact Nikki on 5439 6777

Nikki (School Chaplain) will be co-ordinating the Pups, I look forward to seeing you and meeting your little pups for lots of fun.

Youthsaver account opening forms are going digital

From 2017, Youthsaver accounts can be opened online by parents who bank with CommBank, as well as those who don't.

Accounts can be opened from a mobile, tablet or desktop device so parents will have the flexibility of opening the account on the spot at School Banking Information Sessions or from home at their own leisure. For all new accounts opened online where they have selected to participate in School Banking, a School Banking welcome pack will be mailed to their home address, including their Dollarmites deposit wallet and book.

If a student at your school would like to get involved in the School Banking program and doesn't have a Youthsaver account, there are two simple ways for their parents to open one:

Online
Visit commbank.com.au/schoolbanking and click on the link to open the Youthsaver account.

In branch
Visit any Commonwealth Bank branch and our friendly staff will assist. Parents will need to bring along identification for themselves and their child, like their Driver licence and their child's birth certificate.

Note: Paper-based applications for new Youthsaver accounts are no longer our preferred method of account opening for School Banking.

If any of these students wish to nominate for 100m events please contact office with their times asap. Notes were sent home Monday. Well done!
Welcome back to school to our existing Glenview School families and a warm welcome to our new families joining us in 2017. I hope everyone has settled in well.

NEW SPORTS HATS HAVE ARRIVED!!!!!! Our new sports hats will be available for sale from the uniform shop for $16. The hats are reversible with our navy hat with emblem on one side and then when flipped they are in our sporting house team colours Red, Green or Blue. The hats look great and are made of an easy care fabric. The P&C voted last year to freshen up some aspects of the uniform to keep up to date with sun safe policy and keep our students looking great. The changes will come into effect slowly over a period of the next couple of years. The P&C have worked to simplify our uniform ordering procedures and have formed a business relationship with a QLD company that will fill our small orders and not lock us into a buying agreement.

The P&C meet on the second Tuesday of each month for our general meetings at 6pm in the staffroom. Please feel welcome to join us and share your ideas. We will begin discussing fundraising projects and calendar for 2017. We look forward to welcoming new faces and fresh ideas to the committee.

Having fun while getting fit!

Sick of saying you’re going to do something about your health & fitness each new year but never do anything about it??

I run boxing and Metafit classes at the school hall straight after school pick up! Kids play in the playground while you workout!! The first step is the hardest, but once you start you will love it!
First class is free to all new members. No experience is required as I teach you as you go. Everything supplied.
All fitness levels catered for, go at your own pace!
Boxing is only $10 for an hour and Metafit is only $5 for half hour.. No excuses at these prices!
For those who prefer to work one on one with me I also offer Personal Training at my gym which is local off Glenview Rd..
Call or text me on 0456700777 to find out more. Men are also very welcome to join.. no sissy boxing sessions here!
Cheers!

I am Kristy Bignell, Team Manager for Footy Kidz - Rugby League for Children of Different Abilities. Registration for 2017 season is now open and I would appreciate if you could please pass the following information onto relevant families in your school community.

The program is for girls & boys aged between 5-16 years, living with challenges such as asthma, autism, aspergers, cerebral palsy, down syndrome, emotional, social, neurological and/or psychical disabilities.

Falcons Footy came to fruition in 2013, as a joint initiative of the Intrust Super Cup’s, Sunshine Coast Falcons and the NRL Game Development Sunshine Coast and in 2016 Footy Kidz was launched.

It is an specialised rugby league program, which assists in developing social and motor skills for children with challenges, whilst having fun in a supportive and safe environment.

Footy Kidz allows children with challenges the opportunity to participate in a team sport and be a part of a club that supports and encourages differences.

However, Footy Kidz extends from just providing a team sport:

- For many of the Footy Kidz Dad’s and Mum’s, it was the first time they had been able to take their child to a football game, something they never thought was possible but had always dreamed of;
- Many of the children have found a passion for sport that never existed before;
- It provides a stress free activity for many of the parents;
- It has also provided a much needed stepping stone for some of the children to develop their skills to transition with confidence into a local junior league club.
- Facilitates meeting NRL and ISC players at smaller safe events as many of the children will never make it to games or game days.

Plus it is a positive environment for families with children with challenges to meet and form friendships.

Footy Kidz is a positive environment that encourages children with challenges and their families to come along and experience the all inclusive game of Rugby League.

For more information and to register please go to our facebook page ~ Falcons Footy - Rugby League for Children of Different Abilities
