Welcome to our new staff
Every Day Counts- Please make sure your child is at school every day!

Settling into term 1

This term is a short one- just 9 weeks (and the first week was only 3 days).

Classes have settled and class sizes are now quite manageable and teachers have work units in place for students. Our Intervention and Support team led by Helen Tilbrook is working with students and our first specialist support visits from our Guidance Officer Libby Howlett and Speech language Pathologist Chris Calnan have occurred. Our Academy (extension) programs have begun and Music, Physical Education and Languages programs are progressing.

Our challenges this year are to implement our new English Curriculum, developed over 2015, which follows the requirements of the Australian Curriculum, but ensures that each year level is learning the things they need to know to progress sequentially to the next year. Similarly this year we are developing our Humanities Curriculum, again based on the Australian Curriculum, ensuring that our students are what is required. Our Pedagogical Framework also assist to ensure that students are not only taught from the best constructed Curriculum but are also taught in the best possible ways.

Please feel free to talk to your child’s teachers about the work happening in the classrooms

Independent Public School.

Last week we attended a 2 day conference for the newly accredited Independent Public Schools. This conference was designed to provide further guidance and assistance in understanding the requirements of the IPS, including aspects such as the School Council, HR Management, Workforce Planning, Budgeting Management etc. and included a discussion session with the Director General, Dr Jim Waterston. I’m looking forward to the opportunities IPS presents, but we have already come a very long way in managing the ‘business’ of our school. Conversations with others at the conference confirmed that we have made significant changes in the last few years which have us well placed to progress our IPS agenda. Developments such as our Glenview Curriculum, Pedagogical Framework, revised timetabling to provide GLP, our self-management of facilities and our close partnership with our P&C - just to mention a few- Seem by comparison to others to place us well down the pathway of independence. However, it was still very supportive to hear that EQ is still a major platform of support for the school and the community.

Glenview Learning Program (GLP)

GLP- A solution to delivering class continuity, maximising quality learning time, providing access to extension programs, teaching a wider range of key learning areas and implementing new syllabus requirements.

In practice it looks like- realigned key learning areas (KLA) into STEM (Science, Technology, Extension, Mathematics), English, Humanities (Languages, The Arts- visual and performing), Health (inc Personal Growth) & Physical Education with increased contact hours each week and to allocate some specific times to specific learning activities. The allocation of a 1 ½ hr session each week to each group, on either a Tuesday or Wednesday where learning activities can be more personalised without taking time away from other KLA. In this session, our Academy (extension) programs will operate, facilitated by Ms Smith and Ms Murray, enabling student participation without absence from class. Students will be working with class teachers, specialists and teacher aides during on a series of skill building tasks, small group and individual learning, and practice and review tasks.
In addition to these changes, Ms Martin will utilise Thursdays to assist teachers with the teaching of coding while Ms McDonald will continue her work with classes in digital technologies. Our Health and Personal Growth program be implemented to extend our work here across the full scope of the new ACARA health syllabus. Our Chaplain Nikki will be working with class teachers in this important areas on a fortnightly basis.

**Bomb Threats in Schools.**
Quite a number of schools in Australia including some 30 in Queensland have been the focus of hoax bomb threats in the past weeks. All were treated seriously and the situation managed to ensure that students were safe.
The hoaxes were apparently perpetrated by a group in France using automated phone calls. Our school along with all others is required to have a thorough Emergency Response Plan, designed to deal with not just fire or safety lockdowns but also many forms of local and broader safety issues. Initial safety responses would usually be evacuation of all or part of the school in the event of fire or other hazard which made occupation of the building/s unsafe. If the buildings were the place of safety then the action might be a lockdown. For example this might occur if an intruder were present on the site. Other safety actions involve the support of Emergency Services and Police.
Each term we undertake an Emergency response drill to check that our staff and students are prepared for any emergency.
In the event of an emergency occurring we will contact you – most likely via text message- when we are able, to explain the situation and advise of the actions which are required. It is important to note that when/if a serious issue were to occur, our primary concern would be with the safety of all students first and foremost. Our next priority will be with Emergency Services and Police. In situations where disaster situation is declared and then Police management takes over. Our next priority will be general communication with parents.

**Facilities upgrades**
Our Bandwidth upgrade – an approx. 400% increase in performance is now at the design/costing stage. We are expecting completion of the project by July.

**Glenview SPORT:**
Brisbane Roar – Soccer Experience Program Wednesdays 17, 24 February
Nambour District Swimming Trials - 18 February

**Housekeeping:**
Car parking is always a challenge at peak times. Please use the designated carparks in the designated areas. Help keep our children safe! Please do not pick up or set down children from roadways, car park access roads etc. or any other area which increases the risk of accident or injury to children or adults.

**Allergies and Anaphylaxis:**
Would you kindly ensure that all food brought into the school for lunches, snacks etc. is entirely free of any nut or nut related products. Your cooperation here is vitally important to ensure that student’s lives are not put at risk.

**Wisdom for the week: Dr Seuss of course!!**
Fantasy is a necessary ingredient in living, it’s a way of looking at life through the wrong end of a telescope, and that enables you to laugh at life’s realities.

Lex Heilbronn

*School Hours: School begins at 8:40 a.m. and finishes at 3:00 p.m.*

Welcome to Glenview

Welcome to Mrs Harrison Group F, Mrs Webb Group H, Mrs Avery Teacher aide and Mrs Rac Group G

Welcome to our new prep students.

Welcome Mindy, Charlotte, Hannah & Zech

Welcome Connor, Oliver, David, Samuel & Audrey

Welcome Molly, Mace, Sharni, Caleb, Harley, Alea & Willow
FROM THE CLASSROOM

Group F exploring our new library books

Group E adventure with a new book from their treasure chest.

Year 2 using their thinking boards to help solve maths problems.

Luke and Jerikah learning about cool and warm colours.
National Ride2School Day

National Ride2School Day is the perfect opportunity for Australian students and school communities to embrace a healthier start and to try walking and riding to school for themselves.

It is that time of year again when mum/dad checks those brakes, oils the chain and drops you off at Glenview Gardens to ride to school with your mates.

We will leave Glenview Garden’s carpark at 8am and should be at school by 8.30. Parents are welcome to ride with us or you can stay for a coffee.

Last year the scooters slowed us down so may I ask no scooters this year?

- The date is Friday the 4th March
- The place is Glenview Gardens at the start of Glenview Road
- The time is 8am

We hope to see many students this year

You now have a choice to bank with Bendigo Bank or Commonwealth Bank through our school every Monday.

Student Banking Registration.
Sign up for student banking.
Now at Bendigo Bank
38 Lowe Street Nambour.
Or phone us on 07 54415255
25 November 2015

Dear Parents/Guardians

Student banking that gives back to your community

We are very pleased to announce that Bendigo Bank is now authorised to offer student banking to Glenview State School.

What makes Bendigo Bank different from other banks is our unique focus on supporting and giving back to the community. Since inception, our Community Bank® initiative has reinvested more than $130 million across Australia to various community projects. This included a number of community projects within Queensland that funded interactive whiteboards for classrooms and transport to help children attend vocational activities.

We believe it's never too early to teach children about the benefits of saving, which is why we have created our new PiggySaver Account that makes saving both fun and rewarding for kids.

A statement account with no account keeping fees, no transaction or government fees, no penalties and no deposit restrictions – plus a host of fun games and rewards – a PiggySaver Account makes saving fun.

It is anticipated student banking days will be held weekly, enabling your child to make regular deposits into their account. Please note, the student banking program provides a deposit service only, however, withdrawals can be made at any Bendigo Bank branch or agency.

To open a PiggySaver Account for your child, please come in and see us at Nambour Branch.

A certified copy of your child’s birth certificate will be required as identification for your child, whilst as their parent or guardian, you may also be required to provide 100 points of identification. Of course, if you already bank with Bendigo Bank your identification will not be required.

Should you have any queries please do not hesitate to contact us at the Nambour branch on 54415255.

Yours sincerely

Hayley Saunders
Branch Manager

Commonwealth Banking Program

Glenview State School is excited to offer the Commonwealth Bank School Banking program to all students.

The School Banking program provides children with an opportunity to deposit money into their Commonwealth Bank Youthsaver account at school each week. The program is about how often your child makes deposits, not how much they deposit.

To encourage regular savings behaviour the program offers an exciting Rewards Program. Every deposit earns your child a silver Dollarmites token, and once they’ve collected 10 tokens they can redeem them for a reward.

The rewards available during 2016 are:

- Flying Snake Tail
- Wildlife Writer Set
- Mud Splat Handball
- Outback Pat Bag Tag
- Backtrack Eraser Pen
- Jump and Skip Rope
- Bush Fly Fan
- Wriggly Glow Worm

School Banking is also a great fundraiser for our school. Our school receives $5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of $10 per individual deposit).

Getting involved in School Banking is easy!

You can get involved in the School Banking program by opening a Commonwealth Bank Youthsaver account at your local branch. All you need to bring is your current identification as well as your child’s birth certificate. If you are an existing Commonwealth Bank customer and have NetBank, you can open an account online.

If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away. They just need to bring their deposit in every week on School Banking day using their Dollarmites deposit wallet.

RIDE TO SCHOOL

Friday 4th March 2016 is National Ride2School Day!

Be part of the fun and join in with over 350,000 kids across Australia on this day that will ride to school.

- Sunshine Coast Council have prizes to give away if you get mum or dad to go to Councils website and sign you up

You could win:

1st Prize - $500 voucher at a Bike Shop of your choice
2nd Prize - $200 voucher at a Bike Shop of your choice
3rd Prize - $100 voucher at a Bike Shop of your choice

Plus many other random prizes to be won.

- Remember you must ride to school on the day

- If you live too far away ask mum or dad to drive closer to school then ride the rest of the way together.

To register go to the council website www.sunshinecoast.qld.gov.au prior to the day.
SPORTS NOTICE

EXCITING CROSS COUNTRY PROGRAM

MARCH - JULY 2016

Queensland Running’s 2016 Cross Country season commences on Saturday 5 March at Terenure Park, Mitchelton. The season runs from March through to the end of July and is of great assistance to all students preparing for the school, district and regional cross country competitions.

Our competition includes distances ranging from 500/800 metres (alternating each week), 1000, 1500, 2000, 3000, 4000, 5000, 6000 and 8000 metres. The 3000 and 5000 metre distances are run together as are the 4000, 6000 and 8000 metre events. In these races, distances can complete the lesser or greater of the two distances, depending on their comfort zone.

The runs are conducted at various parks in and around Brisbane, including Chermside, Toowong, Pines Rivers, Sandgate and Yeeronga to name a few.

For those unable to run, but still wishing to participate, a 500 metre non-competitive walk is programmed each week. Take your pram or dog for a wander through one of these beautiful parks. It’s a popular event for families and best of all, it’s free!

We also have family registrations or individual runners can pay up front for the season.

The event cost for each run is $12.00 per participant (or $10.00 for a family of 2 or more). If you register for the season for the cost of $12.00, your runs over the afternoon for 10 years and under run for $3.00 for the afternoon, $4.00 for 11 to 17 years and adults pay $5.00. If you register for the season for the cost of $12.00, your running fees are covered.

We also have family registrations or individual runners can pay up front for the season.

It is great fun for all ages and fitness levels. We hope to see you at the starting line!

For further information or enrolments, contact the club via email qldrunning@ozemail.com.au or call 0418 113 377.
