Ride to School 2016
Every Day Counts - Please make sure your child is at school every day!

School starts 8:40am

The Next Steps in our IPS journey

Our P&C will hold a special general meeting on 22 March to consider the adoption of a standard School Council Constitution. School Councils have a particular role in State Schooling, separate from the P&C and quite unrelated to the role a ‘school management board’ might have in a private school.

In terms of forming the School Council, the P&C’s role is to act as a voice for the community in establishing the School Council, thus it selects the Constitution format and then once the constitution is gazetted, elects the Parent representatives to the School Council. The incumbent P&C President is also one of the two permanent positional members on the Council, the other being the Principal.

The School Council’s role is a strategic one, aimed at assisting the school Principal to achieve the objectives outlined in the School’s Strategic Plan, to bring ideas and suggestions to the discussion table, to provide advice and assistance about innovative ideas, to essentially help provide the initiatives for innovation and improvement. It has no regulatory function, has no financial or funding function or involvement and no decision making function.

All P&C members are welcome to attend this special general meeting.

Car parking:

Please help keep our children safe around the roads and crossings. Our crossing supervisors, Amanda, Kirstin and Sean can only do so much. Please give them your full cooperation – their interest is only in the safety of our kids. Please use only the designated parking areas in the main car park.

The staff carpark adjacent to ‘F’ block is staff only as the access, slope and tight spacing make it unsuitable and unsafe for general use. Please do not use this area for general parking.
Ready for School?

A recent report from the Education HQ News states that “More than one in five children in Australia aren’t socially, emotionally or academically ready for school”: The report goes on to quote the Australian Early Development Census (AEDC) quite indiscriminately, using data to confound facts. Effectively the AEDC (in which we participate fully) states that nearly 85% of the children entering Prep are effectively able to meet the expectations placed on them.

However the age of entry to school in Queensland has been raised by approx 6-18 months in recent years to a child being a minimum of being 6 years old in the first 6 months of the year. Effectively this raised the age children in year 1 (the first compulsory year of schooling) from ‘turning’ 5 in the year they started school. This has obvious benefits in terms of social, emotional and academic maturity.

As I’m sure you are aware we do not ‘push’ our Prep students to enter the ‘formal’ part of education for the first semester. We certainly like to challenge them to learn more and to continue their developing understanding of oracy, literacy and numeracy, but at a pace and intensity that builds their love of learning and schooling.

There is plenty of time for ‘formal’ structural schooling and a shift to pedagogy which carries more prescribed outcomes.

Glenview Sport:

5 Nations Volleyball – 18 March
Cross Country 24 March

School Hours: School begins at 8:40 a.m. and finishes at 3:00 p.m.

Allergies and Anaphylaxis:

Would you kindly ensure that all food brought into the school for lunches, snacks etc. is entirely free of any nut or nut related products. Your cooperation here is vitally important to ensure that student’s lives are not put at risk.

Wisdom for the week: Dr Seuss of course!!

Unless someone like you cares a whole lot, nothing is going to get better- It’s NOT.

EASTER HAT PARADE UNDER 8’S
Our annual ride to school took place last Friday. Once again we had a good roll up with 21 students of varying size, five parents, two teachers, one groundsman, one Principal, three of my family members and three police officers. Everyone had a great time and fortunately there was only one little scrape.

The idea behind Ride to School Day is to get children more active and in return healthy and fit. The council would like more children riding and walking to school. We have a path to school from three different directions. It would be beneficial if we all used them more often.

I undertook a survey of how all the students came to school. The majority of students come by car with only a few riding or walking. The geographic location of our school makes riding or walking difficult but maybe students and parents could park and walk part of the way.

Thanks for your support,

I really had a good time even though I was puffing up Glenview Mountain.

Colour for a Cure

Many of our students got involved on Friday 11th March to have their hair coloured. A great day was had by all. Students raised over $250 for the Leukaemia Foundation. Thank you to everyone who made a donation.

LEADERSHIP CONFERENCE

Last Thursday March 3rd Glenview State School Leaders attended the Annual State GRIP Leadership Conference along with 400 other school leaders from across the Sunshine Coast. They consulted with their peers and other like minded students what it means to be a great leader and what they can do for their school community.
Every year we need to remind ourselves and our children to be kinder, aware of
difference and accepting. **On Thursday the 17th March we are focusing on being better
people. The children can wear orange clothes on the day to show they care.**

This year I would like to address “The Put Down”. These a little comments, often
sarcastic, trying to be funny and on their own seem harmless but they can build up and
affect children’s confidence and self-worth.

If we can identify and ban these little quips school will be a happier place. Our school
motto is to be Safe, Proud, Happy and Healthy. By using kind words all four of these
noble goals will be reached.

I’d like to quote my mum here, “if you can’t say something nice, say nothing at all”.

THE 10 CENT COIN CHALLENGE 2016
(All coins most appreciated)

We have an exciting new fundraiser starting on Monday 7th March – 11th April. The challenge is for the students of Glenview School to collect 10 cent coins. We are encouraging them to do “jobs” at home for parents and family members to earn their 10 cents. The children can then bring their coins into school and there will be a labelled plastic jar in each classroom for the children to deposit their 10 cent coins. Each week at parade we will look at the jars and see which class is raising the most money. The class that raises the most money will be rewarded with a prize at the end of the challenge and announced as the winners. We hope to see all the children working hard for their coins and look forward to hearing what jobs they have done to earn their 10 cents.

We look forward to announcing how much we can raise for the P&C with this fundraiser. Have fun.

Welcome to Inter-school and Junior Chess in 2016!

As advised earlier, in order to secure the future of our junior events here on the Coast, the Chess Club has been seeking to lease out the Interschool Chess tournaments.

We are very pleased to announce that we have made an arrangement with the Gold Coast based and Queensland-wide Chess providers, Gardiner Chess.

We have absolute confidence in the professionalism and proven record of Gardiner Chess and we look forward to working with them to provide Chess opportunities for our young players.

In time, Gardiner Chess will send out Chess News, Tournament Notices and details of the new entry procedure for the various events.

We at the Chess Club will continue to send out local Chess news and tournament info as we have in the past.

2015 was the biggest Junior Chess year yet and we expect 2016 to be even better.

We will be at the tournaments and look forward to seeing you there!
