The Next Steps in our IPS journey
Next week we hope to have our School Council formation proposal ratified by publication in the Government Gazette. This is a formal process which is required prior to actually beginning the process to form the School Council. The next step will then be beginning the process to elect the School Council members.

Car parking:
Please help keep our children safe around the roads and crossings. Our crossing supervisors, Amanda, Kirstin and Sean can only do so much. Please give them your full cooperation -- their interest is only in the safety of our kids. Please use only the designated parking areas in the main car park. The staff carpark adjacent to ‘F’ block is staff only as the access, slope and tight spacing make it unsuitable and unsafe for general use. Please do not use this area for general parking.

NAPLAN time again:
Next week most of our year 3 and 5 students will undertake Naplan Testing. There are 4 tests in total, Language Conventions and Writing will be held on Tuesday, Reading will be held on Wednesday and Numeracy will be held on Thursday. If a child is absent for a test it may be caught up on Friday. Naplan testing is useful and important to our school in that it provides information used in planning and programming. However, our Intervention and Support program and our Extension Programs are based on information gathered largely at other times and in other ways. Our school based assessment, formative, diagnostic and summative, and standardized testing provide consistent and credible information to support student learning.

Student Welfare: Excerpts from an editorial Article in Education Week News
Without doubt students learn more effectively when they are settled, have a positive sense of wellbeing, and when they can come to school free from concerns about problems.

Students are confronted with issues such as social and relational problems, family problems, grief and loss, personal traumas which may prevent them from being fully engaged and focused when at school. For some students, even at Glenview, life can be far from easy.

Assisting children to feel safe, confident, protected and positive is implicit in the teaching role, though it is sometimes difficult to be teacher, counsellor, mentor, friend and advisor. Schools in general are becoming more dependent for their students’ learning successes on the efficacy of their ‘preparation for learning’ or student welfare programs which position children in that safe and comfortable environment where their focus can be on learning. Staff such as youth workers, social workers, chaplains and guidance officers are well placed to help optimize student wellbeing.
The Student Welfare programs running across schools look very different from those which may have been evident even a few short years ago. Today the Chaplains, Social and Youth workers are much more involved in individual programs with students and much more engaged with other agencies, multi-disciplinary teams, other professionals and services outside the school. It has become a very complex role and one crucial to the delivery of learning outcomes.

Glenview happenings:
District Cross Country 6 May
Naplan 10 – 12 May
Individual Chess Championships 16 May
STEM Day 17 May

School Hours: School begins at 8:40 a.m. and finishes at 3:00 p.m.

Allergies and Anaphylaxis:
Would you kindly ensure that all food brought into the school for lunches, snacks etc. is entirely free of any nut or nut related products. Your cooperation here is vitally important to ensure that student’s lives are not put at risk.

Wisdom for the week: Dr Seuss of course!!

“When you think things are bad, when you feel sour and blue, when you start to get mad... you should do what I do! Just tell yourself, Duckie, you're really quite lucky! Some people are much more... oh, ever so much more... oh, muchly much-much more unlucky than you!”
— Dr. Seuss, Did I Ever Tell You How Lucky You Are?

ANZAC DAY

REGIONAL HOCKEY TEAM

Congratulations to Connor and Harley who have been nominated for the Regional Sunshine Coast Hockey Team. Well done boys.

If your child has excelled in a competition and you would like it in the newsletter drop me a line and photo.
Last Friday morning Glenview students participated our annual ANZAC service.

As always it was a memorable and quite touching occasion. Students from each class lay wreaths in memory of the fallen to the haunting sounds of our Bagpiper - Barry McCarthy. Thank you so much McCarthy family for again offering in this way.

Our Band and Choir also performed, and soloists Hayley and Natasha warmed our hearts with their rendition of "Lest We Forget" accompanied by Mrs Harry and Joshua on the Djembe.

We had a visit from Captain Peter Conrad of the Enoggera Barracks in Brisbane who spoke to us of wartime mateship and of the need for life-long discipline.

Many thanks to our School Captains who hosted this occasion... we look forward to many more to come.
On Friday 36 student participated in the Small School Cross Country at Kenilworth. It was a very wet day however that did not effect the positive attitudes all the students had. Congratulation to Emily and Samuel who won age champion on the day. Thank you to Ross and Mrs Marek for supervising our team.

Congratulation to the following students who have been invited to participate in the Nambour Districts Cross Country Trials on Friday 6th May at Bli Bli State School. Shilah, Emily, Kai G, Mitchell B, Kai C, Samuel and Tash. (Notes were sent home Tuesday, students are to take these with them on Friday)

THE HILLS ARE ALIVE

'The hills are alive' in Glenview!
Last Wednesday, senior students from Glenview State School were privileged to attend the Brisbane performance of The Sound Of Music.
As part of the school's extension music program, students are given the opportunity to travel and view a stage musical every year, which is always a popular event.

The show did not disappoint, with leads Cameron Daddo and Amy Lehpamer playing the roles of Captain Von Trapp and Maria. The supporting cast of children, who themselves are students from towns around Queensland, were inspiring for Glenview students. It reminded them, that with discipline to their musical studies, and a good dash of confidence, they might one day be singing "The hills are alive" too.
**SPIN OFF! WE NEED YOU!**

**Fundraising opportunity:** Every year local schools battle out on the spin bikes at a local gym to raise much needed money for chaplaincy, this year it will be on the 28th May at Goodlife centre Buderim, I am looking to enter a team or two both adults and children from the community to compete and gain sponsorship to support chaplaincy at Glenview.

The funds that are raised typically go towards, supplies to support children at the school, to support the welfare of families as required, activities and resources to engage with children such as resiliency games, programs such as shine, and uniforms and resources for active learning such as cheerleading.

I would really appreciate your support, so if you could spare a couple of hours on the 28th of May please contact me on 5439 6777 of nhanl14@eq.edu.au

Thank you!

---

**SPELL-A-THON**

The children have now completed the spelling test for the spell-a-thon, could you please bring in all money raised as prizes will be sent home this week.

Thank you

**MOTHER’S DAY GIFTS**

If you ordered a mothers day gift please check your child’s bag on Friday as all mugs and plates will be sent home at the end of the day.
Yellow Ribbon Day was launched nationally by Safer Australian Roads and Highways (SARAH) Inc in May 2012 to promote road safety, especially for those who work on the roads, and support those affected by road tragedy.

The campaign is an initiative of Peter Frazer, whose daughter, Sarah, was killed in a tragic accident that occurred on the Hume Highway earlier that year.

On May 3 – 10 slow down and give others space. Drive so others survive.

Message from Stuart Gardner Manager Road Safety SEQN

School crossing supervisors contribute to Transport and Main Roads’ positive profile in the community. They have an extremely important role - to promote road safety among young children and educate them on how to use a supervised crossing. This Yellow Ribbon Road Safety Week we say thank you to our School Crossing Supervisors!

School Crossing Supervisors play a vital role in keeping our children safe. They improve the safety of travel to and from school for students in the city as well as regional and remote areas, whether they walk, cycle or travel by bus or car.

In hot, cold or wet weather, the supervisors are there, ensuring children are kept out of harm’s way.

Supervised crossings are an important part of Transport and Main Roads’ road safety program. I cannot stress enough the importance of a school crossing supervisor’s role.

School crossing supervisors are the unsung heroes of school road safety. They play a vital role in helping thousands of students get to and from school safely each day.

This week is Yellow Ribbon Road Safety Week when we say thank you to those who assist us on the roads and help us stay safe.
Write a funny caption for this cute grandbaby. The best and funniest caption will win a prize. Come and see Ms Tilbrook for an entry form. The winners will be announce at parade next week.

Year 6 students were very excited when they received their graduation shirts.
STEM DAY – 17TH MAY

Come along and ignite your imagination as you join us to celebrate National Science Week 2016 with Glenview’s

STEM DAY!

STEM is curriculum based on the idea of educating students in four specific disciplines - Science, Technology, Engineering and Mathematics - in interdisciplinary and real-world applications.

As part of our STEM Day we have Jessica from Street Science coming to do a whole school Science Show Spectacular with fire, air, wind and water!

After the show, everyone will spend the rest of the day in workshops covering a range of STEM topics and activities - keep an eye out for the timetable closer to the event!

We also have two special guest workshops this year:

Lower school will get to work with the Street Science team to play with perfect polymers slime and snow!

Upper school will get to meet the UQ Robogals team who are going to teach us how to program real robots!

So get excited for Tuesday 17th May!

Costs for this day are included in the Student Resource Levy.
Gardiner Chess is proud to have been appointed to run the Sunshine Coast Interschool Chess Tournaments on behalf of the Suncoast Chess Club. With the first tournament coming up very quickly, please see below for some information on this great event.

Further tournament information can be found at: http://gardinerchess.com.au/tournament/sunshine-coast-individual-championships/.

Entry for the events will be via the Gardiner Chess spreadsheet – attached also on the webpage.

When it comes to entering players, entries not received by 3.00pm the day before the tournament will be at the tournament directors discretion.

**Sunshine Coast Individual Championships 16th May 2016:**

The Sunshine Coast Individual Championships will be held on Monday 16th May at the Lake Kawana Community Centre. Gardiner Chess will be facilitating the event on behalf of the Suncoast Chess Club.

**Registration** on the day begins at 8.30am with the tournament itself starting at around 9.30am. We aim to have the tournament and presentations finished by 2.15pm, however please allow until 2.30pm to be on the safe side.

**Prizes** awarded will be merit ribbons for 4.5/7 (or 5/8), Individuals 1st-3rd in each age group (trophies/medallions).

There will be a **canteen available on the day**.

**Age Divisions and Tournaments** are available as follows:

- Open Premier (Those wanting to compete for the Sunshine Coast Junior Champion title, U14, U16 and U18 titles)
- Open Novice (all 12 years +, but not wanting to play in the premier division)
- Under 12
- Under 10
- Under 8

All ages are taken as at 01/01/2016. **e.g. to compete in the Under 8 division a student must be born in 2008 or later.**

Gardiner Chess will **invoice schools** for the cost of entries after the event at a cost of $16 per student (inc GST).

Should you have any questions or concerns, please do not hesitate to contact Andrew at Gardiner Chess on afitzpatrick@gardinerchess.com.au or on 5522 7221.
After a successful 12 months the P&C AGM was held on 19th April. There have been a few changes, but all of the Executive committee positions were filled. Thank you to everyone who attended and to those who nominated for and accepted a position.

The new executive committee is as follows:

President – Jodie Buemi
Vice President – Michelle McCormac and Sonia Clark
Treasurer – Tracey Brooke
Secretary – Richard Rankin

We were unable to fill the position of Uniform Convenor at this meeting. The P&C is seeking an interested person to volunteer to co-ordinate the sales of uniforms. The position is very flexible with regards to hours of operation. It requires a small time requirement of approx. 1 or 2 hours a week. Please see any of the executive committee or myself at jpbuemi@outlook.com if you think you can help.

We had a great year of fundraising for the P&C and provided some new ways of raising funds for the school. The P&C committee are currently shortlisting projects to be undertaken with the money we fundraise. If anyone has any new ideas we would love to hear about them.

Thank you
Jodie

Next meeting is Tuesday 10th May in staff room at 6pm.

New members are always welcome.

**CHARITY WALK SUNDAY 22 MAY 2016**

Take the first steps to a cure for Childhood Heart Disease

Two Feet and a Heartbeat is a charity walk aiming to help beat Childhood Heart Disease – the leading cause of infant death in Australia.

Did you know the human heart begins to beat at 21 days after conception? The Two Feet and a Heartbeat course is 2.1km long, a simple reminder that we all have a heart beating inside us capable of so much, we just need to take the first step. A sausage sizzle and children’s entertainment will be available following the walk.

Step out on Sunday May 22nd at Buhk Family Park, Alexandra Headland and help beat Childhood Heart Disease. To register today or for more information, please visit twofeetandaheartbeat.org.au
