Good Choices Award

9th May
Adam & Sam

THANK YOU FOR SUPPORTING STEM DAY
Ever feel tired and disenchanted about coming to school on a Friday?
Ever feel like you need more exercise?
Ever feel lonely coming to school in the family car with only mum or dad and maybe a talkative annoying sibling?

If you answered yes to any or all of these questions then walk to school day is for you!
Join Ms Tilbrook at 486 Glenview Road, (Ned and Roni’s house) or join Mrs Murray at the corner of Isambert and Glenview road at 8am.

When we arrive at school, Master Chef Ross will have a sizzling sausage, baked bread and succulent sauce waiting for you to supplement your breakfast. You also get a sticker.

Ms Tilbrook will come around on Thursday asking if you will be participating, so ask mum if you can and then we can buy the correct number of sausages.

Thanks for your support
Ms Tilbrook
Intervention and support teacher also an enchanted walker.

Have you registered yet?
Walk Safely to School Day Friday 20 May

Yes I have registered! Congratulations and don’t forget to walk to school next Friday, or on your schools special walking day. Have a lovely and safe walk.

No, I haven’t registered yet! Don’t miss out
REGISTER NOW

Students within the Sunshine Coast Council region who participate are eligible to enter a prize draw. Parents should register online at Council's website before 20 May 2016 to be in the running to win:
* one of ten kid's scooters,
* one of ten kid's skateboards,
* plus other minor prizes.

Important note: Some schools will be celebrating Walk to School Day on another day in the week. Students participating in these walks (such as Walk to School Wednesday, Trek to School Tuesday, Walk Safe Thursday) in the week leading up to Walk to School Day are still eligible to register.

Remember: children younger than 10 should always hold an adult's hand when crossing the road.
Visit Council's website for more information.

Kind regards
TravelSmart Team

Aunty Peach Show will be performed in the hall for all students on Monday 30th May at 9.30am

The Aunty Peach Show is coming to our school on MONDAY 30th MAY!!

This performance is based around Roald Dahl’s popular and very funny, twisted fairytales.

Along with the vibrant, story-telling and startling magic tricks, the students will be given many useful, practical tips that will benefit their own future drama performances and classroom presentations. Throughout this performance they will have the opportunity to act and interact with Aunty Peach and each other.

This performance guarantees to keep all the students (Prep - Y6) on the edge of their seats.

This will be a truly memorable and valuable experience for all students!

Please go to the website at www.aunypeach.com for more information and to see feedback from other schools from throughout Australia and Hong Kong who have already had The Aunty Peach Show to visit.
**Fundraising opportunity:** Every year local schools battle out on the spin bikes at a local gym to raise much needed money for chaplaincy, this year it will be on the 28th May at Goodlife Centre Buderim, I am looking to enter a team or two both adults and children from the community to compete and gain sponsorship to support chaplaincy at Glenview.

The funds that are raised typically go towards, supplies to support children at the school, to support the welfare of families as required, activities and resources to engage with children such as resiliency games, programs such as shine, and uniforms and resources for active learning such as cheerleading.

I would really appreciate your support, so if you could spare a couple of hours on the 28th of May please contact me on 5439 6777 of nhanl14@eq.edu.au

Thank you!

---

**CROSS COUNTRY TRIALS**

Congratulations to our students who participated in the Districts Cross Country Trials.

The Small Schools Team won overall, a first for our runners.

Well done to Shilah and Emily under 10 who are off to the Regionals on the 31st May.
Last Wednesday all students from prep to year two went on an excursion to Under Water World. We went into a tunnel full of sea animals swimming on top of us. There were stingrays, all different kinds of sharks and fish. We also went to the touch pools. We could touch star fish and we looked at sharks and stingrays. There was one really big shark and it was huge. It was a great day, life under the sea is exciting.

By Ava

Last Wednesday group A, B, C & D went to Underwater World on an excursion. We went to a seal show and saw a very funny show about seals. We sat at the back of the stand up; up at the top, it was very high and we ate our lunch. A volunteer was chosen from the audience to ruffle up Grouch, the seal’s fur. Grouch pushed the lady into the seal pond and the other seal Bella pulled her shorts off. It was really funny. After the lady got out of the pond we were told all about seal.

I had an awesome day on our excursion. I learnt so much about the sea and sea animals.

By Charlotte

Did you know? There are around 33 species of seals

Did you know: The Great white shark can go as long as three months without eating.
Friday 27th May is a local holiday for the Maleny Show and the school will be closed.

Attendance at Kidz Bizz on Pupil Free Days is generally very low so we would like to know ahead of time if we will have any children on this upcoming holiday.

As I am sure you can all understand, opening Kidz Bizz for one or two children makes no business sense, nor is it enjoyable and engaging for the children as they don't have others to play and interact with.

If you require care on this day, we ask that you let us know as soon as possible so we can ensure we have the right amount of staff on for the day and can plan our activities.

As per the text message sent out during the week, if we receive less than 15 bookings by this Wednesday 18th of May then we will not open on the 27th.

Please help us by replying via email, call or text as soon as possible if you require care.

Kind regards,
The Kidz Bizz Team

---

CUTE GRANDBABY COMPETITION

Dad ate all the chocolate!

...and the winner is Eli from group G. A big thank you to all the students who entered.
Next meeting is Tuesday 14th June in staff room at 6pm.

New members are always welcome.

Thank you to everyone who placed an order for mugs or plates for our “In the Spirit of Mother’s Day” Fundraiser. Your strong support made for a very successful event. The children really enjoyed creating a special keepsake for their loved one. We raised over $860.

Many thanks go to the team of parent helpers who took on the huge job of organising, co-ordinating and working with our kids to complete the decorating of mugs and plates. It takes an enormous amount of work to make these events a reality and success. Special thanks to Kirsty Osborne for her dedication to the task and her wonderful helpers Amanda Lancelot, Miriam Grey, Belinda Marc, Hailey Shatford, Annette Gosby and Kirsten McWhinnie. Many hours went into working with the kids and then curing and packaging the beautiful creations. I am sure all those who were gifted one were thrilled with their special present. A real keepsake.
KidzBizz is our before and after school care service. It is a business run by the P&C and relies heavily on government grants to continue to keep running. The service offers a fun and interesting program to the children who attend. At present bookings are taken on a casual basis, which can make it tricky when planning. We would really appreciate if bookings were able to be made in advance so that we can try to continue growing the business. The P&C must prove each year at audit that the business model is sustainable. Please support KidzBizz by booking in ahead. Thank you to those families who use the service for your continuing support.

Meetings are held on the second Tuesday each month at 6pm in the staffroom. It is a friendly environment and we always welcome new faces and support. We are all there for the kids and this will always remain the focus.

Thank you
Jodie Beumi

Has your child lost his or her jumper, lunch box or maybe a water bottle. It could be in our lost property box. It is over flowing again.

This is the time of year when jumpers get lost. So don’t forget to labels all items.

Don’t forget school banking is every Monday. Visit your local Commonwealth Bank to open an account. Once you have opened an account pop your child’s bank book into the banking bag in your class room.
Nambour District  12 Years and Under  
School Sport  
Boys Softball

**Sport**  
12 years and under Boys Softball Team

**Trial Date**  
Thursday 26th May 2016

COMMUNITY NOTICES

Two Feet and a Heartbeat is a charity walk aiming to help beat Childhood Heart Disease – the leading cause of infant death in Australia.

Did you know the human heart begins to beat at 21 days after conception? The Two Feet and a Heartbeat course is 2.1km long, a simple reminder that we all have a heart beating inside us capable of so much, we just need to take the first step. A sausage sizzle and children’s entertainment will be available following the walk.

Step out on Sunday May 22nd at Buhk Family Park, Alexandra Headland and help beat Childhood Heart Disease. To register today or for more information, please visit twofeetandaheartbeat.org.au

COMMUNITY NOTICES

BP Glenview is having a driveway upgrade.

We are installing new pumps, so we can have BP ultimate diesel on all pumps.

To do this and to do it quickly we need to close the driveway off for up to four weeks.

The BP Glenview café is still open and the Foodworks shop is still open for our customers convenience for limited hours.

We apologise for any inconvenience this may have caused you.

We hope to see you all soon with a better driveway.
