A WORD FROM THE PRINCIPAL

Remember Every Day Counts!!!

The Next Steps in our IPS journey

The inaugural meeting of the school Council was held recently. Office bearers for the first term Council are Ms Anita Smith Chair and Ms Bonnie Huang Secretary. The Council is moving through the processes of establishing itself and its operating procedures etc., fulfilling its other set up tasks and considering its initial appointments.

Minutes of the Council’s meetings will be available to all and will be posted on the school website shortly.

Cooperation please!

From time to time as parents you may feel the need to ‘intervene’ in situations to explain, defend or progress your child’s interests or perhaps you may feel aggrieved by the actions of another parent, family member or child.

Should this situation arise, please speak with me directly about the issue and I will address it. Please do not approach or speak with any child under these types of circumstances. If the matter concerns an adult, then please do not have a conversation on or around school premises. I am restating this policy in the interests of the safety and emotional wellbeing of all children.

In the first instance, children who are at school are in the care of the school. It is reasonable for you to expect that your child is protected from any interaction which may be initiated by another parent.

In the second instance, children do not need to hear discordant conversations between adults. I am asking for every parent’s full cooperation in this matter so that we can all be confident that all children feel secure in the school environment. If you have a problem or an issue please discuss it with me immediately and do not be tempted to take matters into your own hands with another person’s child.

Thank you for your support.

Staff Facebook introductions.

We have begun putting a short biography of a mix of staff members on our facebook page “Glenview State School”, so that everyone has a chance to ‘meet’ the rest of the team at Glenview other than the ones with whom you regularly come into contact. Altogether approximately 40 people work across the school in various roles, some are here regularly and some not so. Hopefully these bios will help put a name to a face. Check out the facebook page.

The IMPORTANCE of Reading!

There is any amount of research available to confirm that the ability to read, and to read well, is the single most important skill we learn as human beings in this 21st century world. Statistics are frightening for those who for some reason cannot master literacy. Almost 20% of Australia’s adult population has a significant literacy deficit, almost 60% of persons in gaols have low levels of literacy and almost 50% of those with low literacy levels have incomes below the poverty line.
Alternately, higher levels of literacy are associated with better health, longer life, higher incomes, better jobs, inherently higher levels of happiness etc. etc. Almost without exception, children and adults who don’t read well dislike reading and those who dislike reading don’t do it well. Not surprising - but it’s a clue to the most successful of strategies. Success building on success!

Unfortunately, some children and indeed some adults struggle with the acquisition of reading skills and in developing high levels of literacy. While we do not definitively know why this is the case we do know that for most people there are several keys to becoming a good reader and highly literate. And the good news is that it’s not rocket science - it’s actually rather simple. Simple Steps to helping your child become a good reader.

1. Starting from before birth, read aloud, sing songs, play music/instruments, talk to your child - everyday
2. From birth, read & talk to your child, read & talk with your child, have your child read & talk to you aloud-everyday
3. Repeat step 2.

At several times across the school year we look at childrens’ reading attainment levels. Some analysis this week has shown some amazing achievements from children who have worked hard to improve their reading. Beyond about 8 years, on average, we are looking to improve a child’s calculated reading age beyond their approximate chronological age. Generally this is regarded as progressing reasonably in functional reading. It is important to note that there are many aspects of ‘reading’ tested by the accepted tests. Mostly these relate to the extent of vocabulary or words that the person can recognise and the level of comprehension. Until the child becomes a functional reader ie becomes able to scan lines, decode or recognise words fluently and express the language by understanding and conveying the writer’s intent, higher level reading skills may not be evident.

We have several specialist programs for reading improvement but one in particular is having major success. It’s the Reading Wizards program which runs before school on a Wednesday and a Friday from 8:00. Ms McCrae, Ms Tilbrook, Ms McDonald, Ms Craig and lots of other staff and volunteers help out with ‘Wizards’. Wizards helps ‘unsuccessful’ readers become successful!

**School Chaplaincy Program: Chaplain Nikki Hanlon**

Nikki is here Monday, Tuesday after 12 and Wednesday. She is available to work with children or families or individuals where support is needed. Nikki has access to a range of support and assistance organisations. Please give her a call if you need a hand.

**Carparking:**

Please note: The staff carpark adjacent to ‘F’ block is **staff only** as the access, slope and tight spacing make it unsuitable and unsafe for general use. Please do not use this area.

CONGRATULATIONS

Emily won the multi-event last week at Regionals! (100m 800m Long Jump Shot Put) She will represent the Sunshine Coast at the State Championships in October

Emily and Samuel received nominations for both the Terry Reynolds Representative Player of the Year Award and the Adermann Award (overall Best and Fairest) from the Sunshine Coast, Churches Soccer Association, a great achievement for our Glenview footballers.
At camp we did archery and it was really hard to aim the red bow but I am certain that it was easier with the black bow. When we were finished in leather work we got to play ping-pong and another game that I can’t remember the name of. In canoeing we played a game called Titanic which is a game where you fit as many people as you can into the boat without it flipping over.

By Oliver

On Monday group E and F all went to camp and learnt how to do new stuff like; leather making, archery and canoeing. I had so much fun there. My sister Molly was at camp as well and she did all the same things that I did at camp.

Tunnel Ridge Ranch Camp for Year 4s

On the fifth and sixth of September, the Year 4s went to Tunnel Ridge Ranch for a fantastic two day camp. After doing leatherwork, canoeing and archery with the Year threes, we had dinner in the dining hall and had a campfire. The next morning we woke up at 6:00 am to another big rainy day. We went on a bushwalk so that we would keep the noise down. At the top of the hill Mrs Martin took a picture of us in front of the Tunnel Ridge Ranch sign.

After breakfast we separated into our groups and went to our activities. One group went out to the leatherwork shed and we played the spider web challenge where we had to work together to climb through the spider web without touching it. Another group went to the swimming dam and even though it was raining we still went on the rope swing, which was a piece of rope tied to a pole. You had to swing on the rope, let go and land in the water. It was really fun.

After that we went to the dining room for orienteering and found all the numbers that Cheryl had hidden. Our last activity was horse riding and for horse riding you had to ride through an obstacle course and you had to go through a zig zag line and more obstacles.
I felt very excited about camp because I went there last year. I heard that it got better so I thought it would be twice as fun and it was. It was extremely fun and I loved swinging off the rope swing. My favourite activities were probably all of them because they were all so much fun I can’t choose which activity was the best.

This year we will be celebrating Italian Day in Term 4, week 4. The P & C will be catering for our Italian lunch. We are also welcoming a new gelato company to provide us with fantastic gelato. He will be serving gelato from his Gelato Piaggio. Lunch and gelato order forms will be emailed out first week back.

The students will have the opportunity to participate in a number of rotational activities, all with an Italian flavour. This year we have Salle En Garde (Fencing Club) joining the rotational activities. Fencing is a popular sporting activity in Italy. The Italian Fencing team represents Italy nationally. This year they were successful at the Olympic Games winning Silver.

This year we will be having a Ferrari race station. All students will need to make an Ferrari Car from a cardboard box. Each car will need to have a number plate on the back with their name clearly printed. They will be using their car to race around a marked out track. The cars will need to be brought to school on Friday morning the 28th and placed in an allocated parking lot for their group.

We are asking all students to come dressed in the colours of the Italian Flag (green, white and red). They will need to have their hat, sun safe clothing and school shoes as a number of the activities will be outside.

We look forward to celebrating Italian day. If you have any queries please do not hesitate to contact us.

All parents are welcome to join in with their children and enjoy the day.

Looking forward to celebrating this great day with you all.

Thank you to the Emmons Family from Jubilee Distributors for the very generous donation of disposable paper goods and catering supplies used at the recent Oz Tag carnival. Your generosity is much appreciated.

Bunnings Sausage Sizzle – Sunday September 11th.

A huge thank you to everyone involved in the sausage sizzle at Bunnings on Sunday. We raised $2400 for the P&C and the funds are going towards the new whiteboards that are needed in every classroom. We cooked over 1,000 sausages and sold approx 400 drinks.

Thanks to the following people who made this all possible,

Shane Reis and Tracy Hahn. Shane chopped by hand 20 kgs of onions, chilled all the meat and drinks and delivered everything to me the morning of the sizzle and then they helped cook sausages for 2 hours!! I was so grateful for all his help. Chelsea Harry for donating 20kgs of onions ,Megan Emmons for donating napkins and trays, Mooloolah Soccer Club and Sonia Clark for donating sauces, Martin at Meat World Maroochydore for donating the ice, Kylie Read and Bodhi who donated 200 soft drinks and helped on the day, McCormac family donated bread and 250 soft drinks and Lex Heilbronn who once again cooked sausages for 2 hours.

Jane McCarthy and Linda Ann Radtke, Toni Wolter-Tsang, Leigh (Jade Young's relative) Richard and Bonnie Rankin, Darren Costello and the Buemi family all helped for 2 hour shifts each. Jodie, Phil, Ella and Pia and also cleaned up after the event after cooking sausages for 2 hours.

A huge thank you to the following school children who helped with soft drinks until their hands went blue from sticking them in ice, Ben McC (who also impressed the customers working on the till for 5 hours, Louie Mc, Conner and Sophie Mc ,Bodhi , Lily Rose, Emily R, Alea , Pia and Ella.

I am sure we all can still smell sausages - but I think we all had fun on the day.
