Glenview
Spirit Award

Junior—Mrs Keir & Ms Smith
Senior—Year 6 Students

WELL DONE!

Chloe B and Grace were nominated for the Athletics State Championships Relay Team to compete at Mt Gravatt on Saturday 10th December.

Congratulations!

Farewell to our Year 6 students.

Best of luck for the future!
As Christmas gets close it becomes a good time to reflect on the year - our first as an Independent Public School.

Our students continue to achieve well on any comparative measure. In the North Coast Region in 2016 Glenview again stood out as one of the exceptionally successful schools (of any jurisdiction) with results well ahead of state and national statistics. Compared to ‘Like’ schools (i.e. those with similar socio economic profiles across Qld and Australia) Glenview is very well placed and is ahead of comparable schools in most measures. Overall we rank in the top 8-9% of schools in Australia by Naplan measures. Our students continue to improve in their school based assessments, with more of them achieving end of semester Academic Awards. Team and individual successes at maths tournaments, choir and band competitions, chess tournaments and sports days etc. have also been very evident. However, it is the spirit of cooperation, participation and good sportsmanship between themselves and their opposing teams which sets Glenview kids apart. We can all be exceptionally proud of them.

We are also fortunate to have such an amazing group of exceptional professionals who teach and support our children across so many different aspects of the school’s operations. I want to extend my sincere thanks to them for all the things they do, many of which may be not generally visible, but they are not unappreciated.

I would also like to extend personal appreciation to our ever present, dedicated P&C members and to the executive of the P&C, Ms Jodie Buemi, Mr Richard Rankin, Ms Susan Ellwood, Ms Michelle McCormac and Ms Sonia Clark.

This year also saw the formation of the Glenview school Council. I’d like to acknowledge and thank the members of the Council, Ms Anita Smith, Ms Lee McCrae, Ms Buemi, Ms Liz Ferroussat, Ms Bonnie Huang and Ms Karen Struthers for their ongoing work on the Council.

To our parents and carers who provide wonderful support for the staff and the school and who also support each other also, my sincere thanks for being such a special group. We could not do what we do without your unreserved support.

I’m looking forward to 2017 and the challenges of a new year.

Best wishes to all for an enjoyable Christmas and a safe and prosperous New Year.
A note from the Principal

**Class Reporting:**

Student reports will be emailed today. Please contact the school if there are any concerns with the email processes and your child’s teacher if there are concerns regarding the student report.

**Class Arrangements for 2016**

The student class arrangements for 2016 were released on Tuesday. Copies of class lists have been placed on the notice board under the Administration building. As usual, we have attempted to fulfil parent preferences, firstly for particular teachers and secondly for friendship groupings for our students. Our classes have grown as have overall school numbers, however Prep numbers are a little down as seems typical across all schools in Qld. We have taken the decision to make Grp B a straight year 1 class at this time to better manage class numbers.

If you have any concerns with these proposed classes please contact me to discuss the matter.

Thank you for your understanding in this matter. A 9 class scenario will be advantageous for students and teachers as it will reduce the class sizes, however we have operated with the 8 class situation across 2016 with similar enrolments.

**Graduation 2016:**

Graduation 2016 - Wednesday, 7 December (7:00 to 9:00 pm) followed by a special assembly which will be more informal at school on Thursday, 8 December from 1:30 pm. Students are to wear school uniform to both ceremonies, there is no requirement for formal clothing or expense for families.

**Traffic Issues:**

Throughout the last 2 years I have been in extensive discussions and meetings with Qld Transport, Translink, Buslink, Sunshine Coast regional Council, Local Councillor and Local State member aimed at providing better traffic options for our immediate area. There are several issues involved, largely relating to the bus interchange and bus access, the lack of a bus stop, the size and access to our designated car parks and the peak loading periods. Despite the involvement of these agencies, three weeks ago at a meeting of stakeholders the only solution provided was for the Council to embark on major capital works.
A note from the Principal

I am continuing with exploring options outside these groups and I will keep the community informed.

In the interim it is important that we continue to work together to make the area as safe as possible. For student drop off and pick up please use the designated car park areas. If suitable please try to pick up outside the peak times of 3:00 until 3:10. Usually by 3:20 when our crossing supervisors finish the car park is almost empty.

There is a teacher or staff member on duty at the gate until the last bus comes at approx. 3:50 pm. Crossing supervisors are on duty until 3:20. Only Prep children need to be collected from class by parents and from term two onwards probably an older sibling may be able to collect Prep children. All other students are more than capable of getting themselves to the gate and across to the carpark without the necessity for parents to collect them. Please try to minimise your time in the car park so that others can use the parks.

Please note that the carpark is Council, not private property and all road rules and traffic rules apply. Misuse of disabled parks, non-compliance with parking signs etc. may make users subject to traffic infringements.

Please also respect the work of our Transport Department employed Crossing Supervisors. Amanda, Kirsten and Sean do a fantastic job in keeping our children safe. Please give them your fullest cooperation

School Holidays

School will cease for the summer vacation on Friday 9 December 2016 and reopen for students on Monday 23 January 2017. Office and ancillary staff will be in attendance at the school from Monday 16 January, 2017. Teaching staff will resume duties on 18 January, 2017.

As Australia day falls on Thursday, 26 January in 2016, Glenview School will be closed on that day but school will resume on Friday, 27 January.

The Uniform Shop will be open on Thursday 19 and Friday 20 January (9 am- 12) for Uniform sales and book pack collection

Carols and Fireworks

Nearly 400 attended the Carols and Fireworks on Friday night. Funds raised go to our Chaplaincy Program to enable Nikki to continue with her programs. Thank you to KC’s Fireworks - Clive and Tracey Featherby for their generous sponsorship of the event.
**YEAR 1’S BEAT THE HEAT**

Last week the Local Fire Brigade visited the Year One's to explain their truck apparatus and to discover how the hose is used. At the end of the session the year 1’s were lucky enough to be cooled down by the fire fighters.

**ENROL NOW FOR 2017—ALL YEAR LEVELS**

Contact us on 54 396 777 or go to our website for enrolment.

Our purpose is to ensure that every student leaves Glenview School with the confidence, capabilities, and skills to be a successful citizen of the world in the 21st century.

**LOST PROPERTY**

Once again our lost property box is overflowing. If your child has lost any items of clothing, maybe a lunch box, shoes, hats, drink bottles, have a look in the lost property box, located under admin building. All items not collected will be donated to Life Line at the end of term.

So we can return items to your child please mark all Items with child’s name.
Last Monday was pretty hairy at Glenview when both girls and boys supported copious amounts of facial hair. The cause was Movember and the gold coin donations were given to help with Men’s health including Men’s mental health. We raised $67 dollars this year making our total raised over the last three years to $416. A great effort for Glenview IPS.

To celebrate the day our brave student teachers, Mr Flynn and Mr Jackson volunteered to come up on stage and show their strength in a Mo tug-of-war. Team Flynn won the singles competition. We called for extra help in the next round. The best Mo student from each class came up to support Mr Flynn and Mr Jackson. This time Team Jackson won amongst the cheering and clapping from the crowd. It was a fun time.

Ms Tilbrook.
On Wednesday, selected members from the Junior Choir performed at Happy Valley for a very receptive and enthusiastic group of Senior’s from the RSL Retirement Village. An initiative of our newly formed Independent School Council, students were given the opportunity to go out into the community and bring some Christmas cheer.

Students from Grades 2 and 3 put their hands up and Mrs Harry travelled with them along with a few helpful parents in cars. The weather held up beautifully for us, and residents of the Retirement Home clapped along to our songs, cheered loudly and offered their own words of encouragement and commendation for the beautiful behaviour of our students.

Our children did us proud! WELL DONE!
We would like to thank all our wonderful sponsors who made Carols by Candle Light possible.

What a wonderful way to celebrate our year with the Christmas Carols evening marking the very near end to our school year. Thank you to everyone who supported our multi draw Christmas Raffles by selling tickets. The fundraiser was very successful and the P&C extends its thanks and gratitude to our very supportive school community for getting behind this and our many other events this year. Each fundraising event helps us move closer to our current goal of providing new interactive smart boards for all of our classrooms. Congratulations to those lucky enough to win a prize at the draw, it’s a wonderful something extra at this time of year. We look forward to your continuing support next year.

Thanks to Michelle McCormac who put in the hard work to collect donations that provided us with a fabulous bunch of prizes! Thanks also to Kim Jones for managing to obtain our major prize!

The carols night was very enjoyable for all who attended. We were well fed by Chappy Nikki and her band of merry helpers, we then sat back and enjoyed a wonderful concert by all our students to get us in the spirit of the season. The fireworks were, as always, just amazing. Thanks must go to KC’s Fireworks for what is nothing short of a spectacular display. We are so lucky!

The P&C committee would like to extend our thanks and appreciation to Susan Ellwood and Noleen Coleman for their ongoing support and commitment to helping the P&C realise its goals. We would be lost without the wisdom, guidance and assistance of these two very helpful and patient ladies. Thanks also to Lex Heilbronn for getting behind our fundraising initiatives and allowing us to run with our ideas.

The P&C would like to wish all our school families and staff a wonderfully happy and safe Christmas break. We look forward to returning refreshed next year with some more great events for our school community. Merry Christmas!

The P&C meet on the second Tuesday of February 2017 for our next general meeting at 6pm in the staffroom. Please join us and share your ideas. We will begin discussing fundraising projects for 2017. Expressions of interest for executive positions for next year are now being welcomed. Please contact any of the executive committee for info regarding role descriptions.

BRING HOME A BIG BROTHER OR SISTER AND BRING FRENCH CULTURE TO LIFE!

Why not volunteer to host an international student from France next year? We have a small group of delightful French students coming to Australia for 10 weeks to immerse in local Australian culture, experience our High schools, sports, environment and lifestyle. All the French students are around 15 years old, speak excellent English, have their own spending money, cover all school expenses, and we arrange all aspects of their program. They are looking forward to joining an Australian family for a short term. It’s fun and interesting to help these young people achieve their Australian dream.

If you’d like know more, please email your interest to Rob at Inter Cultural Management on rl@scce.com.au

LANDSBOROUGH DENTAL

Childhood is one of the most important times to achieve and maintain oral health. Throughout childhood, healthy teeth and gums are important to ensure good dental health into adulthood.

On 31st August 2016, the Australian Government announced its intention to close the Child Dental Benefits Schedule (CDBS) from 1 January 2017.

The Child Dental Benefit Schedule currently provides individual benefits for a range of services including examinations, x-rays, cleaning, fissure sealing and fillings. For eligible children aged between 2 and 17, the total benefit entitlement is capped at $1,000 per child.

For more information and to check your child’s eligibility, call us on 5494 2877 or email us at info@landsboroughdental.com and our friendly team will be happy to help you.
