

Our Service

BEFORE SCHOOL CARE 6:30AM - 8:30AM

Breakfast is served from 6:30am until 8am.
The children have the options of healthy cereals or toast

AFTER SCHOOL CARE 3PM - 6PM

We collect the prep children from their classrooms at 2.55 pm. During the session, afternoon tea is provided to all children. The menu changes weekly to include the input of children and families. We ensure dietary requirements, allergies, and nutritional value is maintained throughout meal planning.

VACATION CARE 6:30AM - 6PM

Vacation care is an exciting time for us at Kidz Bizz. With the help and input of children and families, Kidz Bizz can plan for themed days, incursions, and excursions. Children must have a packed lunch with sufficient food for the day, a water bottle, a hat, and sun-safe clothes.

As we are a sun-safe service, children need to have a hat for each session.

Kidz Bizz provides a selection of structured and unstructured indoor and outdoor activities. Children can choose to participate in planned activities such as cooking, science and group games or engage in spontaneous activities

The environment is set up for each session with various activities to cater for all interests.

Enrolment

All children need to be enrolled before they attend the service. We use an online enrolment portal on the Glenview School Website under Facilities - After School Care. Click on the XPLOR enrolment. Please ensure the enrolment is completed fully - including DOB, CRN numbers, and medical and dietary requirements. If your child has a medical condition or diagnosis, you will need to make an appointment to complete the relevant paperwork before your child can attend the service. Please ensure you keep your child's enrolment information up to date.

Bookings

Bookings are essential and must be made by email, text or phone call to the Kidz Bizz Mobile on 0494 199 083. Bookings must be confirmed before they are final. We cater for our activities, food and staff to the numbers of children booked in - we do accept children who show up without a booking permitting staff are in ratio. We must adhere to the regulations of 1 educator to 15 children ratio. Please book ahead to avoid disappointment!

Please leave toys, electronics, and any other valuable items at home, as Kidz Bizz takes no responsibility for lost items.

Absences

Please notify us if your child will not be attending a session they are booked in for. The school does not notify us if your child is absent from school or if they are collected early. You will be charged for the booking + No Show Fee if your child does not show up for their session without notice:

We have a strict cancellation policy of 2 business days - see our Booking Policy for more details

Session Fees

Before School Care \$20.00

After School Care \$27.00

Vacation Care \$65.00 (full day).

Late Pick Up Fee \$35 per 1/2 hr

No Show Fee: 50% of session

Extra costs may be associated with excursions, incursions, and special activities (CCS eligible). These costs will be communicated to families with advance notice. Payment is required before the day of the activity.

Statements are issued weekly on a Monday, and fees are to be paid within seven days via electronic payment. Suspension of the account will occur if fees are not paid. Please contact us if you need a payment plan.

Refundable Bond

All families must pay a \$50 refundable bond before using the service. When you no longer require the service and all fees are paid, the bond will be returned.

Did you know that you may be eligible for a rebate or benefit to subsidise fees?

Families are responsible for this arrangement, so please contact Centrelink to see if you are eligible. Ensure you have provided the service with all parent and child CRNs and dates of birth for us to apply the rebates.

Behaviour

Behaviour support and management strategies are vital in providing children a safe and happy environment. At Kidz Bizz, we encourage children to cooperate, respect each other and use their social skills appropriately to enhance their relationships. Educators implement behaviour management strategies to redirect behaviour and guide children to self-regulate emotions. Where children continue to present complex behaviours that significantly impact our environment - suspension may be necessary.
