	22	Beginner Band Workshop– Nominated students
	23	Whole School Athletics Carnival
	25	Last Day Term 2

WORDS FROM MR LLOYD

Hi Everyone

Once again, we've had a significant weather event that has impacted upon our community. We understand that some families may have suffered damage through flooding or property damage with trees down. Please let us know if there are ways the school can assist. The school escaped any major impacts and we look forward to things getting back to normal as soon as possible.

Parent / Teacher Interviews:

It's been wonderful to see so many parents at school for the parent / teacher interviews. It is a good opportunity to hear how your children are progressing with their learning so I encourage you all to take advantage of the opportunity. It is hard to believe we are close to half way through our second term! Assessments will be occurring later this month and early in June, with our report cards issued in the first week of Term 3.

Mother's Day:

Thank you to our P&C and a small band of helpers who did such a great job of our Mother's Day stall last week. I hope all our Mum's had a great day and the gifts brought a smile to your faces last Sunday!

COVID.19:

COVID continues to impact on us all. At school we continue to have staff and students who are affected and unable to attend. Recently however, the Queensland Government has updated the requirements for anyone who is deemed a close contact of a confirmed Case of COVID-19.

New requirements for close contacts:

From 6pm on Thursday 28 April 2022, close contacts who do not have COVID-19 symptoms no longer need to quarantine.

Students who are close contacts must notify their school that they are a close contact. It is recommended that students undertake a rapid antigen test (RAT) on the first day they leave home, and every second day (e.g. days 2, 4, and 6) until they are no longer a close contact.

Close contacts who develop COVID-19 symptoms must not attend school and should isolate until their symptoms resolve.

If you or your child tests positive to COVID-19

Queensland Health requirements for people who test positive to COVID-19 remain unchanged. You must follow the Queensland Health guidelines outlined in the first steps to take if you have COVID-19.

Warm Regards Peter Lloyd Principal

CURRICULUM CORNER

SPOTLIGHT ON HASS

(Humanities and Social Sciences)

I hope that the spotlight on each Learning Area of the Australian Curriculum is providing an insight in to the work your children engage with at school. We continue our journey by taking a closer look at HASS.

In a world that is increasingly culturally diverse and dynamically interconnected, it is important that students come to understand their world, past and present, and develop a capacity to respond to challenges, now and in the future, in innovative, informed, personal and collective ways.

The Australian Curriculum for the Humanities and Social Sciences (HASS) plays an important role in harnessing students' curiosity and imagination about the world they live in and empowers them to actively shape their lives; make reflective, informed decisions; value their belonging in a diverse and dynamic society; and positively contribute locally, nationally, regionally and globally.

Students engage in curriculum that develops a range of skills to enable them to make informed decisions and solve problems. The subject provides students with the skills, behaviours capabilities that will equip them to face challenges in their lifetime and to participate in and contribute to the wellbeing and sustainability of the environment, the economy and society.

Through studying Humanities and Social Sciences, students are given opportunities to develop their ability to question, think critically, solve problems, communicate effectively, make decisions and adapt to change.

Through the Humanities and Social Sciences, students become well placed to contribute to Australia's ideas of a cohesive society, sustainable environment, productive economy and stable democracy.

In fact, our Year 6 students are about to embark on a trip to Brisbane to visit Parliament House after learning about the importance of people, institutions, and processes to Australia's democracy and legal system. I'm sure they'll have a wonderful time exploring Parliament and learning first hand about our democratic system.

CELEBRATING THE EARLY YEARS

This year we are celebrating our young learners in Prep – Year 2 with fun-filled learning and activity on the oval on Wednesday 25 May at 11:40 -1:40. This is also the day for National Simultaneous Storytime. All Prep – Year 2 classes will read this year's story, The Family Tree by Josh Pyke and Ronojoy Ghosh, before gathering on the oval for a range of activities. If you are a parent of a child in Prep – Year 2, please join us for the celebration.

NAPLAN

Despite the disastrous weather conditions, we have been able to complete the Writing and Reading NAPLAN assessments this week with our Year 3 and 5 students. We are very proud of the way they have approached the tests and should be congratulated on their positive attitude and commitment to doing their best. A huge thank you to the wonderful Year 3 and 5 teachers who have done a magnificent job of preparing our students.

Regards Christine O'Toole

Head of Department—Curriculum

WELCOME MRS STEER

Hello Glenview State School Community,

Let me introduce myself.

My name is Beth Steer, recently appointed Permanent Business Manager to Glenview State School.

I am thrilled to have been appointed here. I have spent many years (41 to be exact) working in schools. My first school was Gatton State School from 1980—2007. I have also worked at Nambour State School, Yandina State School, Beerwah State School for 12 years and temporary appointments at Caloundra State School and Currimundi State School.

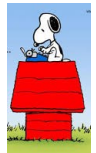

Thank you to Glenview School community and staff who have made me feel very welcome.

HOUSE KEEPING

Every winter our lost property box over flows with jumpers.

So please remember to label all clothing so we can return it to your child.

PLAYGROUP

Babies are welcome to Playgroup too!

Do you have a new baby or a little one under one?
Playgroup caters for babies too!

Our setting has a quiet reading area for tummy time, change table and many resources that cater for babies.

If you've been thinking of joining Glenview Playgroup but unsure whether your baby is too little - come along to our baby welcome day!

When: Wednesday 18th May

Time: 8.45 - 10.15am

Where: Glenview State School - Kidz Bizz building

Families with babies will receive a free Baby Bounty bag!

SPORTS THIS WEEK

The District Cross Country was held on Thursday May 5th at The Big Pineapple in Woombye. It was tough conditions for all students participating. Both the 2km and 3km courses were very tough with some big hills

and the weather was also very warm, making for challenging running conditions! Glenview State School had twenty-five students representing the school and we are very impressed with the effort and determination all students put into completing the event. It was great to even see some students finishing with a smile on their face!

Ned was the school's highest finisher, finishing 7th in the 12year boys race., Bryce also finished 15th in the 10years boys and Olivia finished 16th in the 11year girls race.

Thanks to the parents who came along and supported their children and the school. Thank you so very much to Ross who was our course official, providing water at the end of the course.

GLENVIEW KEEPS SHINING

Congratulations to year 6 student, Carter, on his recent participation in the District Rugby League Team. Carter played six great footy games over two days at the Regional Trial Day. Carter represented his school and District brilliantly. Well done Carter!! We admire all the effort, hard work and training you have put into this.

Sporting Schools Basketball

Starting in Week five and for four weeks, all students in year 3, 4, 5 and 6 will be taking part in a Sporting Schools Basketball Coaching Program. This is a great opportunity for our students, which can occur due to a Sporting Schools Grant being awarded to the school. The program will be conducted by a qualified Basketball Coach and will be facilitated by PE Teacher Kristen Low.

FROZEN THE MUSICAL

This year, year 6 went on an excursion to see Frozen the Musical at QPAC in Brisbane. It was a great experience as we learnt how much effort goes into the Performing Arts. We saw incredible singing, dancing, and acting with show stopping costumes. There were jaw dropping scenes and special effects, especially when everyone was ballroom dancing wonderfully. We thank the teachers, teacher aides and staff who helped to make our trip possible. A special thanks to Mrs Harry for making it fun and enjoyable trip.
